

Albert 1 meeting room access

Access to the Maritime Suite (where Albert 1 is located) is restricted to attendees wearing either:

- a **blue-line badge** (Main Programme), or
- a **green-line badge** (Business Meetings)

The ESHRE team has added a **green line** to all **CooperSurgical exhibitor badges**, which means all CooperSurgical staff have access to the Maritime Suite.

We have also been provided with **20 anonymous green-line badges**, which will be kept in the **Albert 1 meeting room**.

If any of your meeting attendees do **not** have a blue-line or green-line badge, please:

- Go to Albert 1 and collect one of the anonymous green-line badges
- Give it to the attendee so they can gain access to the Maritime Suite

After the meeting, please:

- Collect the anonymous badge(s) from your attendee(s).
- Return them to the **Albert 1 meeting room** for use by other meeting hosts.

Important: Please ensure all anonymous green-line badges remain in Albert 1 when not in use.
